

Hey there,

Would you mind passing on this information to parents? We would really appreciate it!

We are really looking forward to our upcoming Impact Camp for 10-13 year olds from **14-18 April**. Camp starts at 5 PM on 14 April and goes to 3 PM on 18 April. The cost is \$165 per child. Our camps are OSCAR eligible.

These camps we are taking the kids caving and to the Hamilton Gardens. We are also celebrating Easter with some pretty awesome activities and an Easter egg hunt. We have numerous on-site activities such as kayaking, rock-climbing, BMX, confidence course, obstacle course, compass course, Burma trail, archery, air-rifles, and tree climbing. If you have yet to register your child for camp, please go to the following link to do so:

We also have Teen Camp running from 12-14 April for 13-18 year olds. If you know of anyone who would be interested in sending their kids, please pass on this information.

We would love for your children to join us at KCC!

Sincerely,

Noelle Savill
