We welcome in Room 1, Brook and Bailey Bainbridge-Jones to Te Pahu School .

Our current roll is 139.

With the predicted number of new enrolments in our junior school we have opened Room Two with 14 students. We welcome Miss Adelle Barnett to our teaching staff as the teacher of Room Two. Miss Barnett is well known to the children as she has taught them when relieving in room one. Room One starts the term with eight children giving them a fantastic start to their schooling.

Parent, teacher and student conferences are next week on Tuesday 27 and Wednesday 28 July. If you have not returned your interview request please do so tomorrow. Interview times are attached to this newsletter.

The term has started with positive driver choices being made at the front of school. Safety of our children may take longer but reduces the chance of heartbreak.

High schools are currently seeking enrolments of current year 8 students for next year. Whenever offered we provide opportunities for students and parents to participate in presentations by High Schools so you can make an informed decision where to enrol your child. Melville High School will have a presentation on Monday 26 July at 12 o'clock in the den, parents have been invited to attend. Hamilton Girls High School has an open day on Wednesday 28 July, Hamilton Boys High School open day Tuesday 10 August, Te Awamutu College open day Friday 3 September. If your year eight child attends an open day and returns to school they will be marked present, as they are involved in an educational activity. If they do not attend school for the part of the day they are able to, it is marked as an unjustified absence. Please let us know so we can record the rolls correctly.
