Thank you to all those who were able to attend our curriculum open day either during the day or the night session. Parents were informed of Te Pahu School curriculum development, had an opportunity to see it in action then contributed to our schools curriculum. It was pleasing to hear the areas of focus and direction from a parent's perspective were the same as what teachers had suggested.

We had another successful PTA organised disco on Friday night. The beach theme resulted in bright, colourful and some humorous costumes. Thank fully the weather also supported the theme. We had a great turn out of children and parents and the dance floor was full all evening.

Thank you to Tania Livingston for designing and planting our front of school gardens they look fantastic. We are completing the last technical aspects of the new school sign and then phase one of the front of school redevelopment is complete.

Last Monday our librarian Theresa Kewish took two teams of students to Pirongia School for a Literature Quiz. Our teams came 2nd and 4th, well done. Representing our school at the Waikato Literature Quiz with over 55 schools participating were Bernike Conradie, Emma Yandley, Regan Welch and Jacob Moorhouse. All the extra reading and practice quizzes paid off as the team managed a very creditable 24th. Thank you to the parents and students who supported this night. (Our 2nd team who went to Pirongia were Kayla Bowe, Clare Croad, Sheree Hollinshead and Scott Law.)

The next Community assembly will be on Friday 21st May at 2pm. Please wear your house colours. We will be having a cake stall after assembly for raising funds for the new netball dresses.

Our year eights went to a leadership development course on Monday where they were inspired by high profile presenters and were challenged to set personal goals and guided in how they could be achieved. We believe such programmes support our leadership push at Te Pahu School and help to prepare students for high school. Thank you to the parents who transported them there.
