

Name:

# Te Pahu School Times

## Wednesday 2nd June 2010

**Attitude Determines  
Altitude**

671 Te Pahu Road, RD 5, Hamilton  
Phone: (07) 825-9849 Fax: (07) 825-9849  
Email: office@tepahu.school.nz

Welcome to 4 new students in Room 1 - Sean Young, Stephanie Rear, Alex Buchanan and Antony Doneghue. We hope you enjoy your time at Te Pahu School.

A big thank you goes to all those who have volunteered to coach teams for the Winter Championship Tournament on Wednesday 23 June. Students are certainly keen and some are organising their own additional practices to ensure that they are ready. A self managing student is one of our key competencies we are working towards achieving.

Please return the school swimming pool keys to the office as soon as possible. The swimming season is well and truly over and we need to do a final stock take of keys. We have requested their return on several occasions and we still have a considerable number missing. Next week I will be sending out letters to families who according to our records have not returned the swimming pool key. If you will find this offensive please check you have returned yours.

The power outage on Thursday should not greatly impact on the school. Our heating will obviously be affected, the forecast is indicating that the temperature will be ok for us to continue as normal. I would however suggest that your child is dressed in a good number of layers to deal with the cool mornings and warmer afternoons. We will start our generator to continue our regular water supply for drinking and the toilets.

Aaron West, Principal

### TE PAHU NETBALL

### WEEK 7: ENERGIZER TIP

**FOOD LABELS**

### Nutrition claims – “reduced fat”

This means that there is less fat than the regular version, whether its 2% less or 40% less.

If the label claims it is fat free or 98% fat free there is very little fat in the food but it may be really high in sugar – so check before you eat!
