Tēnā koutou katoa,

The weather is growing a lot more chilly these days but we also get spoilt with some beautiful days that remind us of summer. The weekend was especially beautiful. I hope you managed to get outdoors and enjoy the sunshine.

Days are busy at Te Pahu School. Last week we had a visit from Ruben the Road Safety Bear and our Enviro Leaders visited the Kaniwhaniwha reserve to perform DNA testing of the water. We are looking forward to the results. These results get added to a national data base. Our students who participated in the EPro8 challenge will be submitting their work this week. We also look forward to the results from this challenge.

This week we have our Enviro Leaders venturing off to participate in the Rifleman translocation project on Mount Pirongia and the following week they will be visiting the Recycling Centre in Te Awamutu. We would like to thank Liz Overdyck and Joanne Kelly for their continued support of our Enviro Leaders and for ensuring these EOTC events continue to happen for our Enviro Leaders.

Practice is continuing for our Winter Championship Day at Ngahinapouri School. This is to be held on Friday 11th June. Students Year 3 and above will participate in this event.

Our Year 7 students will receive their vaccination on Tuesday 25th May.

This Friday we have our Teacher Only Day. School will be CLOSED on Friday 21st May.

Kokako GIF's

1. We drew a series of pictures on paper or digitally on a device.
2. Each picture needed to be slightly different to the other.
3. We took a photo of each picture using an ipad.
4. We had to be careful to make sure our pictures did not move too much.
5. We then uploaded them to gifmaker.me that combined them all into a GIF.
6. Check them out!

Sadly we can't print them moving but here are some of the concepts.

Top Row: Yeet dog by Seamus; Rainbow waterfall by Gage; Snail by Mikayla
2nd Row: Ant getting stood on by Jayden

3rd Row: Pink Bubblegum by Charlie

4th Row: The CRF250R Dirt Bike by Zane, Mexican pusheen by Hana
