Kia ora koutou katoa,

Thank you all for your kindness and understanding over the first couple of weeks we all follow the protocols under the Covid Protection Framework at RED level phase 2. We are looking forward to the time where we can welcome you all into school, and come together as a school community. Until that time we must continue with understanding and respectfulness of others. The guidelines we are following are changing over time. We attempt to keep you informed of the most up to date information that we have. Sometimes the updates that we receive and inform our community of are not updated on websites so quickly. Please feel rest assured that the information we are sending out is the most up to date information at the time.

Yesterday we were informed of a significant change to the guidelines we are operating under and I expect there will be more changes in the coming days.

From now on, any student/ staff wearing a mask will not automatically be deemed a CLOSE CONTACT if/ when there is a case in your child's class. This rule change will mean far less disruption to classes and learning. We will advise you of a case if/ when this happens, but students will now be CASUAL CONTACTS (if wearing a mask) and may still attend school.

It is fantastic to see that all students have settled into their new classes, getting to know their teachers and moving forward with the task of learning. The days continue to be hot! Please ensure your child has their swimming togs daily.

You will have received our beginning of year pack this week. Please ensure that all forms are completed and returned to school to allow us to update our information for families. Thank you for a smooth beginning to 2022

Ngaa mihi nui
Meegan and the team

TE PAHU SCHOOL PTA

EZILUNCH

A new lunch menu went out to you all last week. It is also on our website. Please remember to set up your accounts and place your orders before 9.00 am on Thursday morning. They are delivered to school by parent/caregiver volunteers. If you would like to assist., please call Cherie on 0276453413

HERO

Please download our HERO app so that you can receive notices and see what your children are doing. The finance side is currently being set up. Once this is ready to go we will let you know.
