Kia ora koutou whānau,

Welcome back to school. Term three is cranking up to be a busy term.

We welcome Jade, Rae, Kiera, Ava, Tashayla, Adelaide, Jayce and Mila to our Te Pahu School Whānau. Nau mai, Hoki mai! We wish you all the best for your learning journey at Te Pahu School.

This term we are opting to exchange our Friday assembly for a Wednesday Waiata Time. We have reflected on the purpose of assemblies for our learners and the value of learning time. We are using this valuable time to provide more authentic and engaging learning opportunities through waiata and tikanga. The value of Waiata Time will be to come together as a group with a learning purpose. Parents are welcome to join us on Wednesdays 10.10am. We value learning and we know that as whānau you wish to celebrate this with your children. Classes will be sharing and celebrating learning on our Seesaw platform. Our weekly celebration of learning will be strongly focused on our school values. We will open our school to celebrate our learning as a community on Thursday 30th September. School will be open for all families to come along and celebrate a term of learning with their children and teachers.

In week two I will be attending the New Zealand Principals Conference in Rotorua. This year the theme is **Power, Passion, Pace; Pai tu Pai hinga! Whakamaua kia tina!** This signifies a need to renew, refresh and move ahead after an unusually fragmented year in 2020. I have not attended this conference before. I am looking forward to connecting with new colleagues and bringing back new learning to build on what we do here at Te Pahu School.

### Reminders please:-

when you are dropping off or collecting your child from school during the day we ask that you report to the school office and sign your child in or out. At the office there is a sign in / sign out sheet for you to complete. Please assist us by doing this so we can be sure where our learners are at all times. It is not necessary to follow this procedure if you are dropping and collecting at the beginning or end of the day.

**Parking**– Please remember the safety of our learners is paramount at all times. Recently there have been some unsafe parking decisions which put our learners at risk. When you are dropping your child off at school please walk them to the nearest gate to ensure they are safely on the school grounds. When collecting your child from school at the end of the day please meet your child at the nearest entry point to the school grounds from your car. Students are not to exit the school grounds without an adult to escort them to their car.

There is a disability carpark located in the front parking area. Please remember to keep this clear for vehicles that display the appropriate disability signs. It is important we consider the needs of others in our community. **Exiting the carparks**– for the safety of everyone please remember to exit down the driveway from all parking areas. It is very unsafe to exit out of the front carpark at the top of the hill. There is limited visibility in this area of the carpark.

Thanks for your continued support.  
Ngā mihi nui - Meegan Dunn
